

# **EXHIBIT 1**

**NOTICE TO HOLDERS**

This Notice, which has been authorized by the United States District Court for the Southern District of New York, relates to the dismissal of derivative claims asserted in the action captioned *BlackRock Allocation Target Shares: Series S Portfolio, et al. v. The Bank of New York Mellon, et al.*, Case No. 14-cv-09372-GBD-HBP (S.D.N.Y.) (the “Action”). It is being provided to you as a current holder in the below-referenced Trusts by counsel for the named Plaintiffs in the Action and BNYM, the defendant in the Action.

Plaintiffs in the Action are institutional investors in residential mortgage-backed securities issued by trusts for which BNYM serves as trustee. On November 24, 2014, Plaintiffs initiated the Action derivatively on behalf of the Trusts listed in Exhibit 1 to this Notice. The Court has ordered the Parties to provide this notice.

In the Action, Plaintiffs alleged that (i) BNYM was aware of breaches of representations and warranties by the sellers; (ii) there were continuing Events of Default due to servicing violations; and (iii) BNYM failed to discharge its duties under the governing agreements. Plaintiffs also allege that BNYM failed to discharge its obligations “because acting to diligently protect the interests of the Trusts would have conflicted with its own financial interests,” it allegedly would have been costly for BNYM to discharge its duties, and compliance allegedly would have exposed BNYM’s own alleged negligence in carrying out its ministerial duties. Plaintiffs have withdrawn their remaining individual claims in the Action, and the Action will be discontinued as of [DATE] when the claims will be dismissed with prejudice. There has been no admission of wrongdoing or liability by BNYM.

This Notice is given to inform you of the discontinuance of an action that may have benefitted you derivatively and that Plaintiffs will dismiss their claims with prejudice. BNYM, Plaintiffs, and Plaintiffs’ counsel will not be providing you with any recommendations or legal advice about the effect this dismissal will have on you.

**PLEASE DO NOT CONTACT THE TRUSTEE, PLAINTIFFS’ COUNSEL, OR
